## President's Message:

### SUMMER IS HERE !!!

Looks like hot and sunny for a few days and then some much-needed rain. Most of our collection is outside now and some of the basement light set-ups have been turned off. It's a good time to go over each plant as it is carried outside. Those that need repotting desperately (some/most of mine) can be set aside to repot and then move out but remember to give them time to recover for a few days.

**Very important - please remember that our meeting is on the 10th at 2pm in the Parish Hall.** The auction plants are coming to us and we will transport to the meeting. The ones we already have are a great mix of genera, most are blooming size or in bloom, and sure to please. When the rest get here I will research names and make up an auction list by the donating nursery which will be emailed to all. So be on the lookout. Jack and Lorie will be setting up so all can be seen before we start. This is our largest fund-raiser for the club. Bring a friend!

Since this is our last meeting before the fall and then the show will be upon us, Judi, our Show Chairman, has requested that the show committees meet at 1:30. This is quick and informal so that everyone knows where we're at with the preparations. Please be prepared to report.

Don't forget the Piping Rock Open House and Picnic that now is the day before our meeting. They will have Daryl from Kelley's Korner speaking and I'm sure you can contact him to pre-order supplies. E-mail [info@korchid.com](mailto:info@korchid.com) and also check out the website. This all happens on Saturday, June 9th. All the info is available on the Piping Rock Orchids website.

Ready to bid???!  
Sue Finger

## THE June 2018 AOS CORNER

From the desk of Denise Lucero, Vice Chair, AOS Affiliated Societies Committee  
([dluceroaosmembership@gmail.com](mailto:dluceroaosmembership@gmail.com))

### AFFILIATED SOCIETIES

AOS President, Susan Wedegaertner's, message in the June issue of Orchids will remind us that the AOS operates with six paid staff along with an army of generous volunteers to fulfill its' vision, mission, and goals. These are a great group of people and there's always room for more committee members. Please let your society members know that they can participate at the national level for anything from project work to full committee participation.

Just send us an e-mail and we'll help you find a committee that can use your talent. If you'd like to join the Affiliated Societies Committee and help us share info with other fellow affiliates, please drop us a line at [affiliated\\_societies@aos.org](mailto:affiliated_societies@aos.org).

**SAVE THE DATE:** The American Orchid Society 2018 Fall Members Meeting is being held in conjunction with the International Slipper Orchid Symposium on October 31 - November 3, 2018, in Apopka, Florida. Please put it in your calendar and let your friends know that all AOS members are welcome to join us. Details aren't up yet but we'll let you know as soon as they are. We hope to see you there.

We hope that you received the new and much requested AOS "Orchid-gram", which will become a regular thing, and include bulletins of events, webinars and activities. Please ask all AOS members to check for it. If they can't find it... it's possible that [aos.org](http://aos.org) has been marked as spam or you may have unknowingly opted out of AOS emails. If you would like to opt back-in, you need to send an e-mail requesting that your account be re-added to: [TheAOS@AOS.org](mailto:TheAOS@AOS.org) from the account you would like e-mails to be sent to. Watch for the confirmation e-mail and once it's confirmed/received the address can be re-added to the recipient list.

Make sure to check out the new [Digital Archive Search](#) available for **Orchids** magazine! As an AOS member, with access to past issues, you are now able to search over 2,050 articles by date ranges and keyword. It's so useful to be able to quickly locate info on a specific species or to find that article you read and wanted to go back to when you can't quite remember which issue it was in.
