President's Message:

Hello Fellow Orchid Folks,

Thank you to everyone involved in making our Annual Show & Sale a success. From what I have heard, things went very well. It was especially nice to hear how satisfied our vendors were with the business that they were able to do in our 2 short days. I look forward to hearing the final reports from the show in the next months.

I am looking forward to the November meeting, to our guest speaker, Fred Clarke.... and to pre-ordering some wonderful new orchids from Sunset Valley Orchids. I think I better grab my lap-top and do that now!!

See you Sunday, Nov. 3rd.

~ Lori Burritt, President

~~~~~

Sue Finger received the following letter from a vendor from the 2019 CNYOS Show & Sale that is a nice testament to the Club.....

Hi Sue -

Just a warm thank you to you & your "rascally" hubby ~ and also to all the great members of CNYOS who were there at all times for me & my fellow vendors. They were always there when most needed, either with unloading or loading up again, but also to give us a sales table break, provide wonderful goodies to eat & just support all of us in any way they could. And that doesn't even include the great dinner we all shared on Saturday night (special thanks to you two) ~ it was a great evening & unique opportunity to get to know some of them better, in addition to our orchid-addiction, away from the craziness of show-related duties & orchid talk.

A real refreshing change from many of the shows I do ~ please extend my heartfelt thanks to all of them! You have a very special core group of members who were always there for all of us. Feel free to share this email with everyone involved ~ they all deserve major kudos!

Hope to see you again soon,

Carri (Raven-Riemann)  
the orchidPhile

Another Note: Daryl of Kelley's Korner also wrote to say this was his best year here ever!
