Next Meeting: Sunday, September 10, 2017 at the Church.

The Meeting Subject will be "Getting Our Orchids Ready for the Show"

Remember that this meeting is the second Sunday in September because of Labor Day.

At the meeting, experienced members will describe how to prepare our orchids to put on their best appearance. Please share your suggestions on how you get your plants ready for cleaning, labeling, transporting.

There will also be some descriptions of web sites where the correct orchid names can be looked up.

Our Show and Sale at Beaver Lake will follow the meeting by just a few weeks, so this meeting will be the time to be clerks, man the club booth, monitor the display, contribute food, and help in one of the dozens of ways to help advertising the Show. Be ready to post it anywhere possible in your neighborhood, and end it to everyone's knowledge.

There will be a raffle table and a show table, since as we know, "All plants bloom just before the show."

President's Message

Summer's almost over --boo hoo- but I love this cooler weather!

So, our September meeting will be on the 10th. As usual it is one week later due to Labor Day. Usual time though registration (that's my baby) of plants, coordinating web sites and so much more. The Raffle Table will be available. Things that were divided in the spring. Just make sure that if it's an outdoor plant that you've watered thoroughly and so come out to socialize. Much news is to be had. Our President has left the club so I am stepping up into the office.

Sue Finger (the original Orchid Junkie!)

Editor's note: Many thanks to Sue, who has once again stepped into the breach to fill a vacancy in the club.
